## **H.S. GRADUATION REQUIREMENTS**

U.S. International Christian Academy requires 24 academic credits for H.S. Graduation, including Math (4), English (4), Science (4), Social Studies (4), Religion: Bible(2), Health (1) and Electives (Spanish, Art and/or Social Studies)

In addition to academic requirements, students must maintain a satisfactory disciplinary record as defined by the school, meet all financial obligations to the school, complete one hundred hours of approved community service (16 and 18 years old only)

Each course syllabus includes the Florida Sunshine State Standards and the objectives for each course as well as the detailed course outline that specifies the assignments or activities to be completed to satisfy the specific standard.

U.S. International Christian Academy does not accept transfer of credits from other schools with grades below "C"

Students receiving an "F" grade will be required to retake the test. Students receiving any grade less than a "C" are encouraged to retake the test to improve their grade.

Students are required to keep up with the deadlines for each assignment as stated in the course syllabus. Additionally, the Parent-Student Handbook describes the Students Responsibilities as far as course completion, Grade Point Average (GPA), and fulfillment of all assignments in a timely manner.
