*U.S. International Christian Academy is based on the concept that "God is the source of all life, truth, and knowledge. Therefore, true learning begins by knowing God".*

## Job Description for a High School

### Analyzing Data

Job description for a high school teacher responsible for analyzing data with educational qualifications with a bachelor's degree is the absolute minimum requirement, usually math or science-related.

### Internet

- The primary job required of a employees and teachers includes daily classes online "Distance Education"

## **Assessment**

- In addition to online “Distance Education” a high school English teacher must also assess student performance. This assessment is done through studying progress reports, giving tests, and general observation. Teachers must be prepared to give a comprehensive assessment. The elements included in assessment include expectations, progress and goals.
