Special Need Program

Students with special learning needs may request curricular modifications. Teachers and the learning specialists work together to identify and implement modifications.

If you have any disability or special need, hearing or vision impairment, call contact us for direct access to school representatives who are trained in providing support using accessibility services.

A.D.A. COMPLIANCE

If any member of the school feels that he/she has a disability and needs special accommodations of any nature whatsoever, the instructor will work with you to provide reasonable accommodations to ensure that you have a fair opportunity.
